9. It is advisable to post topics that users write with specific and targeted titles. In this way, the process of finding the right topic is facilitated, as well as giving an accurate answer.

10. SPAM is banned in any form (meaningless comments, emoticons, etc.) and will be removed without warning and the author will be punished by the moderator's opinion / administrator.

11. Any personal issues and topics not affecting other users are not discussed on the forum's pages.

12. Publications on topics and opinions which in one way or another are contrary to Bulgarian legislation, racist and hatred between people are forbidden. The publishing of pornographic and offensive content is prohibited.

13. If there is a violation against a user or group of users on the forum, the person should immediately notify the forum administrator. From the moment the user provides such information to the admin team, the administrator is the one who will work on the case. It is not tolerated filling a topic with unnecessary posts in connection with a user's breach. Such posts will be deleted.

14. It is recommended to use the "Report" button and to provide clear arguments as to the reasons why the user thinks you need to report on a certain post. Self-government in one way or another is strictly forbidden.

15. In the presence of copied articles, photos and others users posting in the forum need to specify the specific source of information.

16. The materials and information provided by the users in the forum can be used by forum and site administrators by uploading them to the project website www.virtual-chef.eu.

II. ADMINISTRATION / MANAGEMENT AND PENALTIES

1. If you fail to comply with any of the above rules, you are subject to moderator control /admin/.

2. The moderators / administrators / are the persons responsible for maintaining the goodwill and the collegial spirit in the forum and as such have the right to make remarks and
